## 2008 All-Star Baseball/Softball Commitment Form

<http://www.ycll.net>

The Little League All-Star program requires a huge commitment from both the Little League player and his/her parents/guardians. If selected to an All-Star team, daily practices could start as soon as **June 7, 2008**, and depending on advancement could continue through August 2007. Advancement past District 7 tournament brackets may involve travel out of the Hampton Roads area.

Little League Tournament rules differ slightly from regular season rules such as: 1) Little League (11-12) year old division, 9-10 year old division, and 10-11 year old division players may participate in other youth baseball/softball programs prior to the first scheduled game involving that player's team. Once practices begin, players named on the team's tournament affidavit may not participate in any other youth baseball/softball program until eliminated from tournament play. Junior/Senior/Big League divisions may participate in other baseball/softball programs; however Managers may request removal from the team due to repeatedly missed practice or games. 2) All-Star teams have a minimum participation rule of three (3) consecutive outs and bat at least one (1) time, in each game played. 3) Some additional minor rules apply. See the 2008 Little League official rule book.

Please annotate the days your son or daughter will **not** be available for games or practice if selected to an All-Star team. Please list all known or expected conflicts, i.e. vacation, camps, summer school, etc. Practice may begin as early as early June.

I wish my son/daughter to be considered for selection to a York County Little League All-Star Tournament team. I am aware of the time commitments required and will do everything possible to ensure that my child is available to participate as required. I will respect the manager's and coaches' decisions as to what is best for the team.
