

PROUD SPONSOR

YORK COUNTY LITTLE LEAGUE

2008

YORK COUNTY LITTLE LEAGUE

2008

SPONSORSHIP PROGRAM

Each year, York County Little League faces the challenge of providing quality Little League Baseball and Softball to over 1200 children of York County. While registration fees pay for a significant amount of the leagues recurring expenses, generous donations from community businesses, civic organizations and families help improve our programs, equipment, and field conditions.

This year is no different than past years when the league looks to our community for support to enhance the quality of programs we provide. 2007 was a banner year for sponsorship with much needed contributions in money, product, and services. Your support is greatly needed again and much appreciated.

Being a sponsor of York County Little League entitles you and/or your business to a host of advertising and marketing opportunities not available anywhere else. With over 1200 active players involved in YCLL, the exposure and touch points we offer to both players and their families throughout the season is substantial. These programs have been created to keep our fans abreast of what's going on in the league as well as specials made available by our sponsors. Being a league sponsor has its privileges.

To ensure the continued success of this program, we are continuing to offer five different levels of sponsorship that could meet your needs. We invite you to select one of the five packages and make an impact on the youth of York County while broadcasting your positive image throughout the playing fields and homes of the 1200 boys and girls actively participating in York County Little League.

The information you need, to make a selection is in this package, so make a choice today and help YCLL for the 2008 spring and fall season. Your donations are tax deductible, and your quick response is greatly appreciated.

Thank you for your support,

Homer Hill
Sponsorship Coordinator
