

2023 YORK COUNTY LITTLE LEAGUE

SPONSORSHIP PROGRAM

Each year York County Little League (YCLL) faces the challenge of providing a quality experience for our Little League Baseball and Softball to our players. While registration fees pay for a significant amount of the leagues recurring expenses, generous donations from community businesses, civic organizations and families help to improve our programs, equipment, and field conditions.

This year is completely different than any other year when the league looks to our community for support to enhance the quality of programs we provide. We understand that most businesses have been hit very hard during this Pandemic, but if it's possible to spare even just a bit, you would be helping the league out tremendously in ensuring these kids get to play safely. Our players need our community's help more than ever to help keep them active, social and help with their well-being overall. We have put many measures in place to also ensure the safety of our players and volunteers.

Being a sponsor of York County Little League entitles you and/or your business to a host of advertising and marketing opportunities not available anywhere else. The media outlets we created allow us to keep our fans abreast of what's going on in the league and ensure they are aware of specials made available by our sponsors. Being a league sponsor has its privileges.

To ensure the continued success of our sponsorship program, we have now simplified it to five different levels of sponsorship. We invite you to select one of the five options and make an impact on the youth of York County while broadcasting your positive image throughout the playing fields and homes of the players participating in York County Little League. No matter the level of sponsoring, your sponsorship will be valid for a year and run from the Spring season to the Fall.

The information you need to help you make the best decision for you and your company is provided in this package. Sign up and make a choice today to help YCLL for the 2022 season. York County Little League is a 501(c)(3) organization so your donations are tax deductible, and your quick response is greatly appreciated.

Thank you for your support,

Matt Puckett
President, YCLL

Dear Future Sponsor:

Thank you for your consideration in sponsoring one of America's greatest sports through York County Little League (YCLL). We are proud to announce that YCLL is now a part of the York County Chamber of Commerce! Our league offers excitement and growth in baseball and softball to over 1,300 boys and girls yearly and relies heavily on volunteers to form the foundations necessary to run our league. The money you donate as a sponsor helps us to maintain playable field conditions, replace or repair equipment, and better our programs which carries on throughout the year, not just during our sports seasons.

When our regular Spring Season is over, your donations continue to help in allowing our teams who win District 7 Titles to have a chance at the State Title. Your donation doesn't just help provide a season of Little League; it helps children learn our great pastime and provides enhanced playing opportunities for more advanced players.

Each year our teams have the opportunity to play for the District 7 Title and represent District 7 in State tournaments. Our league is able to provide some financial assistance to our Title winners, however, the teams must also rely on their own fundraising, as state competitions can be expensive with lodging costs, transportation, food, etc.
